It's a little trickier than I anticipated. I reached out to Jose, who is the expert at all things. Let you know what I get back.

Any news? We could put it in the Farmers Market storage until you find out but you would have to be there to take possession of it, I think.

Hello Misty,

About a month ago we started a conversation about your Business Association making arrangements to have access to the items that the Neighborhood Council must divest itself of.

Any progress? thanks, Joan Potter 323 258-2555

If you could manage to get some City department to claim them, so that you could have them at your disposal, feel free to attempt to arrange that.

Re: HHPNC storage items I hope you can use.....

The items are in our storage space at Public Storage,
4101 North Figueroa Street. Should you want to
take a look at them, I have a key and would be
able to meet you and let you in.
